

What is First Tee?

First Tee is an internationally based, youth development program that uses the sport of golf to build strong character and prepare youth for their future. First Tee is a program that offers a curriculum where golf is taught alongside nine core values: honesty, integrity, sportsmanship, respect, confidence, responsibility, perseverance, courtesy, and judgement.

First Tee – British Columbia:

Operated by Golf Canada in collaboration with the PGA of Canada, First Tee – British Columbia (BC) programming impacts the lives of youth by teaching leadership values and healthy choices. First Tee is Canada's national junior golf program – a diverse and inclusive program that inspires participants to grow confidence and realize their potential on and off the golf course while reducing the barriers of entry into the sport.
